Full-Featured
The trial version is the same as the purchased version. Two concurrent-session licenses let you see how the product works with multiple users.

Enjoy for 30 Days
Install ScreenConnect on a server and put it through its paces.

Outstanding Support
Our support staff is here to help you with any questions you may have during your trial, including initial setup, feature questions, and basic customization.

Useful Information
Find pre-releases and older releases at our [Download Center](#). Our [License Information](#), [End-user license agreement \(EULA\)](#) and [Uninstall Instructions](#) can be found on our help site.
